SAFA
ABOUT SAFA

SAFA is a registered Society, working in the urban slums of Hyderabad since 2008. It was founded by Ms Rubina Nafees Fatima with a vision to empower women who are marginalized. Our work over the past few years has grown by leaps and bounds and we are now working on 14 projects across slums in Hyderabad through our livelihood, education and skill training initiatives. We are constituted by an Executive committee of 7 members and are 12 A, 80G and FCRA registered.

VISION AND MISSION

Vision
Socio economic empowerment of women from disadvantaged backgrounds and education of the girl child whilst we "retain the cultural fabric" of the society.

Mission
To skill train underprivileged youth and women
To sponsor education
To engage in structured capacity building
To offer connect to income generation
ABOUT THE REPORT

The methodology used in assessing the Impact report is based on the Theory of Change model which is planning, participation and evaluation. All data is based on outcomes achieved under each project and has been recorded on partner MIS or internal MIS of SAFA. Findings from the Social Audit 2016 for the interventions on Capacity building and women’s livelihood program have also been used to assess the impact. Our new projects 2018 and research partnerships are excluded from this report.
